 Help us live ev - ery day  
 Fill our minds with your might.  
 Through our eyes let us see

shine your light full of love  
 of - ten though we may fall,  
 show - ing friends you're the way.  
 Give us strength, give us sight  
 how your love sets us free,

o'er this world's push and shove;  
 fill our hearts with your call;  
 An - swer us when we pray;  
 as we walk through this night;

let us feel you.  
 let us hear you.  
 let us know you.  
 let us find you.  
 let us reach you.

Verse 6: When we die we are born  
 From this shell old and worn.  
 Tell our friends not to mourn;  
 Let us join you.
